

## Neurosurgical Residency Fourth Year Audition Rotation Application

### U.S. MEDICAL SCHOOL STUDENTS

To be considered eligible for a clinical elective, a U.S. medical school student MUST:

- Be in their final year of medical studies
- Be in good academic and professional standing
- Have taken and passed the USMLE Step 1 exam or COMLEX-USA Level 1 exam
- Have taken and passed their required M3 rotations in Internal Medicine, Obstetrics/Gynecology, Pediatrics and Surgery BEFORE their elective here begins
- Have completed 48 weeks of required rotations in the same medical school where they completed their basic science (M1 and M2) training
- [Apply using VSAS](#), AAMC's Visiting Student Application Service; no applications are accepted outside of VSAS (unless you are from Ascension-Providence's list of affiliated medical schools)

**Preferred Months of Rotation, list in descending order:**

1<sup>st</sup> Option \_\_\_\_\_ 2<sup>nd</sup> Option \_\_\_\_\_ 3<sup>rd</sup> Option \_\_\_\_\_

**Personal Statement:** PDF or MS Word file only; limit one page. In 500 words or less, please describe why you would like to rotate at our program and why you are interested in becoming a neurosurgeon.

**THE FOLLOWING APPLICATION REQUIREMENTS** pertain to every application an applicant submits to Ascension-Providence Neurosurgery, during the 2019-20 academic year.

- **Curriculum Vitae (CV):** PDF or MS Word file only; no page limit. Uploaded by applicant.
- **Immunization form:** AAMC Standard Immunization Form completed and signed by a licensed health care provider. Uploaded by applicant.
- **Personal Statement (see above):** PDF or MS Word file only; limit one page.
- **Photograph:** A current photo of yourself.
- **Transcript:** PDF only. Your current medical school transcript. NOTE: Uploaded by your home institution.
- **Score Report(s):** PDF only; no page limit. Visiting student applicants must have taken and passed the USMLE Step 1 exam and/or the COMLEX-USA Level 1 exam prior to applying. Uploaded by applicant.

**The elective's approval is under the ultimate direction and control of the neurosurgery program director.**

**ROTATING OFF-CYCLE IS NOT PERMITTED:** You must rotate according to the 4-week rotation dates indicated on the 2019-20 Visiting Student Calendar. If your home institution's academic calendar does not align with ours, please inquire with your home institution whether an approved vacation or leave can be obtained.

**AN OFFER IS VALID ONLY IF IT IS MADE VIA VSAS** (unless you are from an affiliated school): If a visiting student wishes to receive credit for an elective, then the official offer of a visiting rotation needs to be generated by our office using VSAS. Arrangements made outside of our office and VSAS are not valid and will result in a student not being enrolled.

**UPON BEING EXTENDED AN OFFER,** you have one week from the date of notification to accept or decline the offer in VSAS. If no response is received by 8:00 PM EST on the expiration date, the offer will expire in VSAS and will no longer be valid. NOTE: Completing a rotation at Ascension-Providence does not guarantee an interview for residency.
